Pink Caddies and twinkle lights Brookston woman at \$2.5 million cosmetics meeting

Barbara Jewell of Brookston, a beauty consultant with the Dallas-based Mary Kay Cosmetics, Inc., has returned from the company's 18th annual seminar held last month at the Dallas Convention Center.

Some 8,000 of the 100,000 independent Mary Kay Consultants attended. General assemblies and workshops filled the schedule of the program covering every facet of the Mary Kay business from products to management.

Mary Kay Ash, who founded the company in 1963 and is now chairman of the board, gave the opening address and taught some of the classes.

The theme of this year's program, "Dreams Come True", reflected the spirit of total optimism that ran through the \$2.5 million seminar.

The spectacular stage setting featured a castle motif enhanced with thousands of twinkle lights, a lighted curtain with a starburst design, laser light rainbow effects, four turrets accented with live greenery and yards of shimmering glamme material forming the back-

drop.

The seminar was highlighted by an awards night where the top sales achievers were spotlighted as they received their valuable prizes, including pink Cadillac and Buick Regals -- the cars most often associated with Mary Kay Cosmetics -- diamond and gold pins, bracelets, rings and necklaces and mink fashions. Entertainment was provided by singer Jack Jones.

Barbara joined Mary Kay Cosmetics as an independent beauty consultant in 1980. She is married to James Jewell and they are the parents of two children. Barbara is also a real estate broker for Realty World Gustavel Real Estate of Lafayette.

Mary Kay Cosmetics, Inc. has grown from a local firm with an initial force of 10 into an international organization with approximately 100,000 independent beauty consultants, marketing the firm's products throughout the United States, its territories, Canada, Australia and Buenos Aires. The company's 1979 net sales figure was \$91,400,000.

He is called the wisest man ever to live: what is his name? Solomon! He wrote for our profit the book of Proverbs. There are 31 chapters, and it is a good thing to read one chapter each day each month. They contain from the wisest man to ever live (Not counting Jesus Christ!) little lessons he learned to help us in our daily walk.

This will be a Bible Quiz on Proverbs, and you will need to work hard to answer these. Use a Concordance or any helps you can to find the answers. I want not only the word

- but the reference where it is found! Send me your answers, and in turn I will send you a little gift!

"WONDER SHIELD" T.M.

POLY-GLAZE - PAINT-SEALANT
PERMANENT PROTECTION

Gives your vehicle a "NEVER WAX AGAIN ARMOR" against sun - rain - snow - heavy detergents - corrosion - salt - insects.

Our unique process coats your car with the toughest shine there is. "Wonder Shield" is not a wax. It is a specially-designed, highly durable "Three-Layer" polymer coating that literally coats your car with toughness. Tests show "Wonder Shield" preserves the brilliance of a new car finish year after year - "WITHOUT EVER WAXING"! And it works as well with old cars as new. First, we make your finished shine its brightest with a cleanser-sealer that removes all existing impurities and oxidation. Once completed, this step leaves your finish brilliantly clean, deep down bright. Then, we seal that deep down shine right into the finish with two-layers of high-gloss Polymer-Protection.

Entertainment Guide

"The Entertainers" from Logansport will perform at the Twin Lakes Senior Citizens Club's birthday meeting at the American Legion post home Wednesday, March 4.

TL Senior Citizens list March activities

The schedule of activities of the Twin Lakes Senior Citizens Club for the month of March has been released by Carl Winterberg, club president. The varied functions are open to all area folks 50 years of age or older.

The first meeting will be on Wednesday, March 4, at the American Legion Hall in East Monticello. Doors will open at 11. Noon lunch served by the Legion will be available.

The meeting will start at 1 p.m. It is the club's monthly birthday meeting. Those having a birthday during March are asked to bring a cake. Everyone is to bring a cup.

"The Entertainers" of Logansport will perform, providing music for listening, singing and dancing. The group, featuring Charles and Julie, Heathcoat, Ralph

Cochran and Bessie Wilson, was to have provided entertainment for the seniors in January, but could not do so because of the illness of some of its members.

The club's second meeting will take place on Wednesday, March 18, also at the Legion Hall and with the same noon lunch arrangement, with the meeting opening at 1 p.m.

The Carroll County Choir will provide entertainment. Refreshments will be served at the close of the afternoon activities. Everyone is to bring a cup.

The card club will play Pinochle and Euchre at the Legion Hall on Wednesday, the 25th. Noon lunch will not be available, but those attending are asked to bring a cup.

The Seniors bowl every Thursday at 2 p.m. at the Monticello Lanes on Rickey Road.

Sr. citizens goin' south April 7-15

All senior citizens and their friends are invited to join us on April 7-15 to South Carolina and the Georgia coast. We are taking reservations to visit this romantic area of the coast.

We start our trip through Chattanooga, set in the midst of steep mountain ridges, then journey to the Little White House built by former Pres. Roosevelt. The cottage is preserved as it was prior to his death.

We then travel to the lovely Golden Isles of St. Simons Island, Jekyll Island and Sea Island to enjoy the natural and historic charm and beauty of this area. We enjoy the oak-lined carriage trail to Retreat Plantation, St. Simon Village and Christ Church founded by John and Charles Wesley in 1736.

It's spring time in Georgia with its warm sunshine and sweet fragrance of azaleas. We stop to tour Savannah, and see the romantic water front area which became the heart of the city during King Cotton. We will see Pirates' House and also where Sherman ended his march to the sea during the Civil War.

We plan to sight-see and drink in the serenity, charm and beauty of the surrounding area of Charleston. Included on this tour is an old restored plantation and gardens, plus many of the other places in historic Charleston.

You would not want to leave the area without a stop at Ft. Sumter, the place where the Civil War started.

If you are interested in this east coast trip please call or write The Golden Travelers, 3333 Old Romney Road, Lafayette, Indiana 47905 or phone 317-474-6764.

The Australian walking fish occasionally leaves the water and climbs a tree to eat insects.
